

Father Abraham had seven sons, sir.
Seven sons had Father Abraham,
And they didn't laugh, and they didn't cry.
All they did was go like this!
With a left!

Father Abraham had seven sons, sir.
Seven sons had Father Abraham,
And they didn't laugh, and they didn't cry.
All they did was go like this!
With a left and a right!

All they did was go like this!
With a left and a right and a left and a right and the
hips and the shoulders!

Father Abraham had seven sons, sir.
Seven sons had Father Abraham,
And they didn't laugh, and they didn't cry.
All they did was take a rest!
