

# When You Dream

When you dream a dream, what do you find?  
When you dream a dream, what do you see?  
When you dream a dream, where do you go?  
When you dream a dream, let your feelings flow.

1. Well, I dreamt I was a queen sitting on my throne.  
I dreamt I was a king or queen, and I was not alone.  
And...

When you dream a dream, what do you find?  
When you dream a dream, what do you see?  
When you dream a dream, where do you go?  
When you dream a dream, let your feelings flow.

2. Well, I dreamt I was a singer, singing for my friends.  
I dreamt I was a singer, and it would never end.  
And...

When you dream a dream, what do you find?  
When you dream a dream, what do you see?  
When you dream a dream, where do you go?  
When you dream a dream, let your feelings flow.
