

Rabbits don't have tails at all, tails at all, tails at all.
Rabbits don't have tails at all, just wee powder puffs.

Spoken:

*Same song, first verse,
A little bit louder and a little bit*

Tails are barely there at all, there at all, there at all.
Tails are barely there at all, they're not good enough.

Rabbits don't have tails at all, tails at all, tails at all.
Rabbits don't have tails at all, just wee powder puffs.

Spoken:

*Same song, second verse,
A little bit louder and a little bit worse!*

Ears are longer than their tails, than their tails, than their tails.
Ears are longer than their tails, just wee bits of fluff.

Rabbits don't have tails at all, tails at all, tails at all.
Rabbits don't have tails at all, just wee powder puffs.
